WHAT IS IT?

An opportunity for freelancers and contract workers to connect with businesses that can benefit from having access to various services.

WHO SHOULD PARTICIPATE?

Professional freelancers including: Web Design, Graphic Design, IT contracting, Social Media Development, Marketing, Product Merchandising, Videography, Search Engine Optimization, Architectural Design and Engineering, and others.

WHO SHOULD COME?

Businesses seeking one-off assistance to improve online presence, marketing tactics, or other needs that do not justify a full-time employee or hiring an expensive firm from outside of the area.
